## 2018/2019

Last updated 8/11/2018

# WELCOME

Welcome to the Central Districts Basketball Club (CDBC).

The Central Districts Basketball Club is the premier basketball club in the Northern region of Adelaide, competing in the BasketballSA district competition. CDBC provides opportunities for males and females of all ages, to play in South Australia's elite representative basketball competition, from Junior, Youth and Senior levels, through to the highest division of the senior competition, the Premier League.

Our Pathways Program creates a conducive coaching environment, where players of all ages are supported in reaching their playing potential, whilst enjoying the game at an elite level.

We hope the players, parents and friends of CDBC have a meaningful and rewarding time at the Club both on and off the court.

## PATHWAYS PROGRAM

The Pathways Program at CDBC focuses on the development and growth of players from juniors to seniors, supporting them in reaching their full potential and guiding their ambitions.

The key elements of the Pathways Program, include:

- Assisting ALL players in becoming the best basketballer that they can be under the Club's Development Curriculum
- Fostering opportunities for player improvement and progression
- Designing multiple avenues to ensure that all players (across divisions) have access to development opportunities, which include -
  - Quality Coaching, resources and facilities (From the development of Coaches)
  - Valid feedback and constructive advice
  - Supervision, involvement and participation by the Coaches Panel
  - Governance, guidance and direction from the Development Curriculum
  - Invitations to Clinics and Carnivals
- Promoting opportunities for State representation (metro/country)
- Instigating, promoting and overseeing pathways to college (USA)

### CORE MECHANISMS TO FACILITATE THE PATHWAYS PROGRAM

- Periodic scheduling of Coaches rotating through the Division Levels. (E.g. Div1 Coach takes training of Div 3 players while the Div 3 Coach takes training of the Div 1 players)
- Internal and external coordination and promotion of camps, clinics and specialist training sessions
- Internal play-offs and integrated training
- Talent Identification and personal invitations to join elite programs
- Assistance with US College applications and planning
- Periodic scheduling Senior Player and/or Senior Coach participation and visibility at Training and Games across all ages and divisions

# TEAM STRUCTURE

## COACH

The Club believes in coaching depth and leaving a legacy. Both current and past senior players are encouraged to adopt coaching, assistant coaching and leadership roles. The Coach is responsible for the development of the team and individuals, game play and strategies, structured training and team and parent leadership.

## ASSISTANT COACH

The Assistant Coach supports the Coach in co-ordinating and implementing training sessions, weekly games, carnivals/tournaments and general player wellbeing.

## TEAM MANAGER

The Team Manager is typically a parent in the team that the Coach has selected to assist them with the administrative duties in managing the team and inward and outward communication.

Duties of a Team Manager include (but are not limited to):

- Using Team App for communicating Club, team and competition news
- Maintaining the Team Selection List
- Organising the team scoring roster
- Completing the scoresheet at games and the collecting of player tickets in readiness for the referee.
- Running the 'bench' during game time with respect to drinks, first aid, tidiness and player welfare.
- Organising team registration for carnivals and accommodation options if required
- Liaising with the Finance Department on the compliance of with player documentation and fees
- Facilitating the teams fundraising responsibilities

## TEAM

The Basketball Team typically consists of 6-9 individuals. This range is ideal, as it creates options for the 'bench' regarding player rotations, substitutes, 5-foul replacements and court time.

As a guide, it is not desired that teams have 10 or more players.

# GAME DAY

Players are required to arrive at least 30 minutes prior to the scheduled starting time for warm-up drills and team huddle. The Coach and/or Team Manager will inform you directly, or via Team App of the stadium location and game time.

On entering the stadium, you are required to purchase a player ticket and a spectator ticket. The cost is \$6 for U10 and \$8 for U12+ players. Spectators pay \$3 on entry to Stadiums. The player ticket needs to be handed to your Team Manager. If you have more than one child playing for CDBC and are required to attend multiple stadiums in the same round, a BasketballSA Transfer Pass will save you buying another spectator ticket. Passes can be purchased from STARplex Reception.

Each player is expected to have a full drink bottle, their basketball, their training top (in the case of a colour clash) and be in full playing uniform as outlined in the Uniform Policy.

The Coach, Assistant Coach, players and the Team Manager are the only people to sit on the bench during the game. After the game the Coach, staff and players may spend a few minutes in a team huddle.

## TRAINING

All teams will have a mid-week (Tuesday, Wednesday or Thursday) training session and a weekend session (Sunday). The Coach or Team Manager will advise the specific times and training locations. Training sessions run for 90 minutes with the exception of some U10 sessions.

All players are expected to attend every programmed training session.

All players are required to wear approved Club attire to and from training and wear their playing uniform/training top for their training session.

If a player is unable to attend a training session the Coach or Team Manager must be notified beforehand.

## TRIALS & SELECTION

All new and existing players are required to complete an online registration (Intention to Play) prior to trials and pay a \$60 registration fee. This will be deducted from the upcoming season's fees.

If your child is not selected to play in **any** CDBC squad or team, you will be refunded \$60.

The selection process for all teams is a process that ideally is finalised during pre-season training session (before first game) however the League allows movement and re-allocation of players during the season.

Internal and external trials are only one aspect of this process. Selection of players is also based on:

- Player ability, skill-level, and determination during training, try-out sessions and games
- Player fitness
- Player coachability
- Player focus, maturity, attitude and work ethic
- Player commitment to Club values and expectations

# CODE OF CONDUCT – PARENTS & FRIENDS

CDBC is regarded as a Club that is respectful and well respected; a Club that celebrates achievement but is also gracious in defeat. We promote “Play by the Rules” and player development through positive role-models and our Pathways Program.

We remind all spectators and parents, that inappropriate, disruptive and/or negative call-outs and behaviour, or sideline coaching to players and coaches on either team, the Referees and Court Supervisors is **NOT** acceptable - regardless of the age group, division level or game importance. It is important to remember that first and foremost that the players are **children** who play for the love of the game.

We highly encourage team spirit and positive passion from players and spectators but we will not tolerate gross negativity and unsportsmanlike behaviour that will tarnish the Central Districts Basketball Club. Our Club is built on a foundation of player development, community values and fair competition.

The Club subscribes to the BSA code of conduct which is listed below.

- Remember that young people participate in sport for their enjoyment and benefit, not yours.
- Applaud good performance and efforts from all individuals and teams.
- Respect the decisions of officials and teach young people to do the same.
- Never ridicule or scold a young player or referee for making a mistake.
- Condemn the use of violence in any form, whether it is by spectators, coaches, officials or players.
- Show respect for your team’s opponents.
- Encourage players to follow the rules and the officials’ decisions.
- Do not use foul language, sledge or harass players, coaches or officials.
- Spectators are not to attempt to intimidate an opponent, or an official, by their words or actions.
- Spectators are to treat all players, coaches, officials and other spectators with the same respect, professionalism and courtesy that you expect.
- Respect the rights, dignity and worth of every young person regardless of their gender, ability, cultural background or religion

Note: Known, observed or reported incidents of inappropriate, disruptive and/or negative behaviour will incur implications for the parent/spectator. The ramifications for repeat offenders will impact on their child’s playing future with the Club.

The Central Districts Basketball Club subscribes to and promotes the directives within "Play by the Rules". [www.PlayByTheRules.net.au](http://www.PlayByTheRules.net.au)

# CLUB EXPECTATIONS

Further to the above, the Club has expectations of spectators and parents to appropriately manage their communication with Coaches – especially when there is emotion and feelings at or during game time.

**To be clear – the Club policy is as follows:**

- There is to be no discussion with coaches including assistants on match day or at games in regards to team selection, playing minutes or coaching decisions made during the game.
- If parents have concerns that have arisen from a game situation they should wait until the next training session (typically the following Sunday) to address the coach.
- Parents must request an opportunity to speak with the coach via the Team Manager. This can be a verbal request in person or by phone or via text or email. The request should clearly outline the reason for this conversation and parents should be mindful of how they conduct themselves during this process.

This Policy links with the flow of communication for concerns, issues and complaints to Junior Panel, and then Basketball Management and CDBC Management Committee.

In addition, the above also links to a point within the BSA Code of Conduct:

***Spectators are to treat all players, coaches, officials and other spectators with the same respect, professionalism and courtesy that you expect.***

# RAISING A CONCERN, ISSUE OR COMPLAINT

For a Spectator or Parent to raise a matter, their first point of contact is the Team Manager. Depending on the subject or request, the Team Manager will engage the Coach if required.

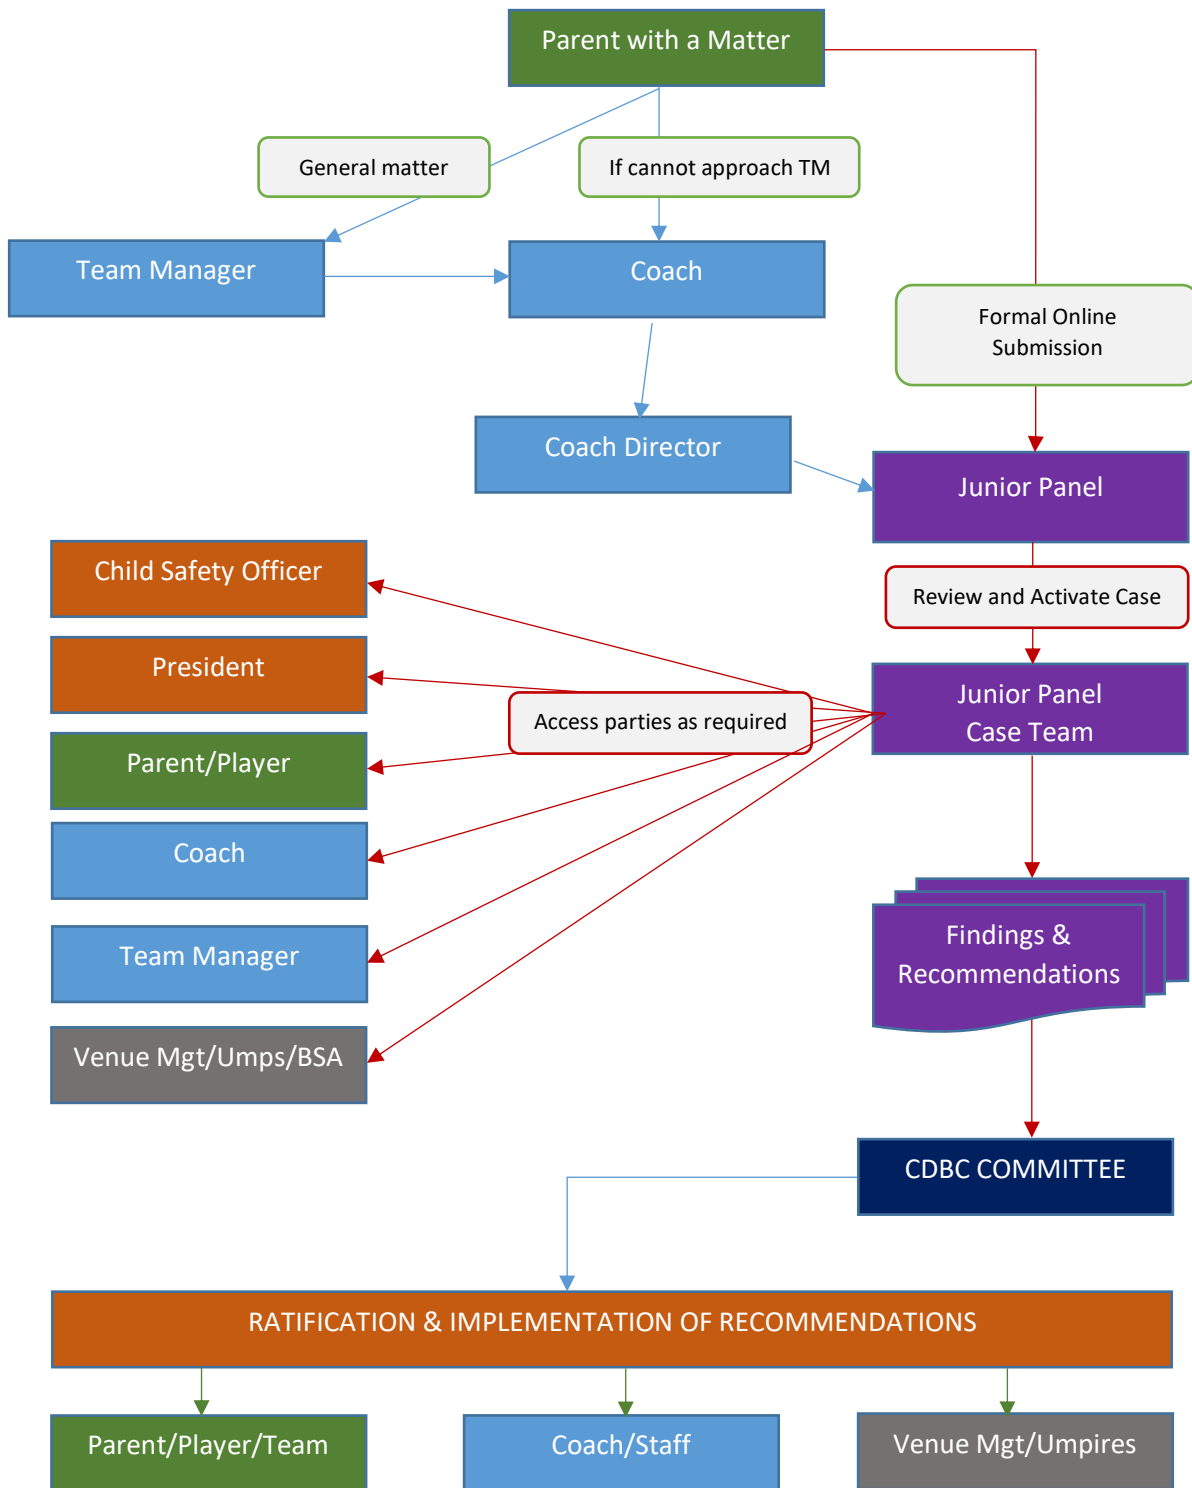

If no action or outcome results, or the issue involves either role, a formal submission can be placed online to Junior Panel – Go to [Admin.LionsBasketball.com.au](http://Admin.LionsBasketball.com.au)

Junior Panel will assess the matter and activate a case. The case will involve a process to obtain information, testimonies, history and consulted opinion. Tasks typically taken include documented witness statements, interviews, summary, conclusions and recommendations. Parties that are or can be involved in a case include Junior Panel Case Team, Junior Development Officer(s), Club President, Coach(s), Parent(s), Player, Team Manager, Child Safety Officer, Spectator Witnesses, Stadium Officials, Umpires and BasketballSA.

Findings and conclusions from the process result in Recommendations that are presented to the CDBC Management Committee for discussion and/or ratification. Once ratified, the recommendations are actioned and implemented. (E.g. corrective plan, changes to team/personnel, an apology, a suspension, a penalty of some type, etc)

# FLOW OF COMMUNICATION

For a Spectator or Parent to raise a matter of concern, issue or complaint.

# WAYS TO VOLUNTEER

Volunteers are crucial to the success of any sporting organisation. CDBC relies on the support and contribution of volunteers. Volunteering provides opportunities to meet people, share experiences, to utilise/develop skills and interests, and to be actively involved in the Club and sporting community. In sharing time, energy, skills and resources, volunteers also assist in minimising ongoing financial burdens and therefore the cost to players/parents. Roles that welcome volunteers include:

### Committee Member

CDBC is managed by an Executive Committee consisting of: President, Vice President, Secretary, Treasurer, Junior Panel Coordinator, Senior Committee Coordinator, Fundraising Officer, Sponsorship Officer and General members. There are opportunities for parents to join the CDBC committee. Please speak to a current member and consider attending our AGM in November.

### Coaching Staff

If you are interested in becoming a Coach or Assistant Coach please contact Admin or the Coach Director. Coaches expectations, mentoring, training, role modelling and feedback must be consistent with the “Lions Way” ethos, and follow the positive on/off court practices as outlined in the manual.

### Carnival Director

The Carnival Director is the main point of contact for local, regional and interstate carnivals. Their role is to ensure all required paperwork is lodged and carnival communications are relayed to Team Managers.

### Junior Panel

The Junior Panel consists of a small group of parents and 1-2 committee members. The Junior Panel assists in communicating, supporting and monitoring Junior basketball issues including parent concerns and player safety. The Junior Panel also distributes additional information, manages uniforms and coordinates fundraising.

### Team Manager (PDF: [Team Manager Role Duties](#))

Each team has a Team Manager. They maintain the general running of the team, allowing the Coach to concentrate on the coaching and training aspects. They are the liaison person between team, Coach, parents and committee.

### Fundraising

The Fundraising Committee are responsible for raising additional funds for the Club. CDBC are always looking for new and innovative ways to raise funds, and any ideas will be welcomed.

### Premier League Game Hosts

Parent are welcome to volunteer for a variety of duties during the night. These include: Taking money at the door, selling raffle tickets, preparation of food, cooking a BBQ. Players are welcome to volunteer their time to sweep the courts during the games.

If you are interested in any of these roles, please speak to a committee member who will gladly assist you with any enquiries.

## CARNIVALS & TOURNAMENTS

Participation in tournaments is an important aspect of developing player skills and abilities plus generating Club buzz and experiences.

At the start of the season, the Carnival Director and Coaches, will discuss and decide which carnivals/tournaments they plan to enter. Coaches and Team Managers will consult with parents and players to ensure players are able to attend before nominating the teams. CDBC has a designated number of *Compulsory Tournaments* (Yellow Highlight) in which the Club will be represented (these do not include U10 teams):

### State Championships – Mid May

This is the top club basketball tournament in South Australia for Div 1 & 2 teams ONLY. Performances at these championships dictate how clubs are measured and whether they will qualify for Nationals or Classics. Games are held at a variety of stadiums around Adelaide, and require players to be available for games Thursday evening, Friday evening, Saturday and Sunday of the selected weekend.

### Melbourne Classics (or Nunawading Spectres Tournament) – June Long Weekend

It is compulsory for all Div. 1 teams and expected for all Div. 2 teams to nominate for this tournament. The Melbourne Classics is an 'invitation only' tournament based on placings in State Championships. Both tournaments are in the South Eastern Suburbs of Melbourne and require players to attend games scheduled on the Saturday/Sunday at various stadiums. Finals for qualifying teams are played on the holiday Monday.

### U14 National Championships – Sep/Oct

This is an invitational only tournament based on State Championship rankings. Clubs throughout Australia measure themselves by performances at these tournaments. These tournaments are held in Capital Cities around Australia.

### SA Metro and Country Carnivals

Other Clubs and regions offer carnivals across South Australia.

- Barossa Carnival – Mid November
- Yorke Peninsula Carnival – February
- Bearcats – July
- Norwood – Easter weekend
- **The STARplex Tournament** is held on the Australia Day long weekend, and the Club strongly encourages all teams to enter. It is an outstanding, enjoyable, fun tournament that provides the ideal opportunity for Teams to advance their skills and comradery to sharpen their skills following the Christmas and New Year break.

The STARplex carnival (all divisions) is considered a compulsory tournament and as such is covered in the fee structure. There will be no reimbursement unless there is an accident, injury or personal hardship preventing participation and is authorised by the Management Committee.

When tournaments are located outside Adelaide, your Team Manager will forward important information detailing location, schedule, traveling, accommodation, expenses and expectations.

## COMPULSORY CARNIVALS

Mandatory Carnivals are completely managed by the Club (as Carnival Fees are included in your Club fees)

Players that move up a division for after fees are paid and/or just for the carnival will be invoiced separately if their fees did not include carnival fees.

Players that are moved down prior to the Carnival and/or are not included in the carnival squad as directed by the Coach, will be refunded.

No other refunds are given for non-attendance or inability to attend (subject to certified injury, illness or family crisis)

## OPTIONAL CARNIVALS

The Club promotes the attendance and representation of any basketball tournament or carnival however for optional carnivals and tournaments, it is at the Coaches' discretion and the ability of the Parent Group to facilitate attendance. (e.g. Barossa Carnival).

If pursued, the Coach or Team manager must advise the Club (via the Carnival Director) and personally arrange payment, team nomination and any subsequent admin.

Unless it is a carnival covered by player fees, parents must commit by payment of the shared nomination fee by the due date set by the Team Manager.

Parents will forgo their payment if they pull out within 7 days of the Carnival and no replacement can be resolved.

The Club may cover the cost in the event of player injury and family crisis within this period.

## **PREMIER LEAGUE**

The Premier League is the Elite State Basketball League within SA.

The League plays during the winter season (March-September), with the Central Districts Basketball Club hosting a number of the women's and men's games at STARplex.

Games are a great night out for the whole family, and we encourage members, families and friends to come along to watch and cheer on our Lions Premier League Men's and Women's teams. Women generally commence play at 6.30pm and Men at 8.15pm. Please refer to the BasketballSA website for the fixture.

Junior teams regularly host Premier League Game nights for the crowd. It's an excellent and easy way to raise funds (selling food, raffle tickets etc.) to subsidise carnival registrations, expenses and/or team merchandise purchases, whilst supporting the Club and our senior players.
